

FactSet Named A Best Workplace in France

March 20, 2015

FactSet was ranked 12th among small- and medium-sized businesses. A total of 62 companies were recognized.

This is FactSet's fourth consecutive appearance on the list.

FactSet was selected among hundreds of companies vying for a place on the list this year. Applicant companies opt to participate in the selection process, which includes the Trust Index survey and an in-depth questionnaire about their programs and company practices. Creators of the methodology behind the list, Great Place to Work® has found that employees believe they work for great organizations when they consistently trust the people they work for, have pride in what they do, and enjoy the people they work with.

"The Great Place to Work survey revealed that 91% of FactSet France employees said that FactSet is a great place to work," said Yves Etienne, Human Resources Manager for FactSet. "We are proud to be ranked among such outstanding companies in France."

The Best Workplaces France results were published in Le Figaro on March 18, 2015.
