

Novare Actuaries and Consultants Selects FactSet's Performance and Reporting Analytics

November 13, 2018

FactSet, a global provider of integrated financial information, analytical applications, and industry-leading services, announced that its B-One solution has been selected and successfully implemented by Novare Actuaries and Consultants (Pty) Limited, one of South Africa's leading independent financial services groups.

B-One is the award-winning, multi-asset class performance, attribution, and reporting solution of BISAM, a FactSet Company. B-One is a key component of FactSet's unique ecosystem of solutions and workflows that serve the investment portfolio lifecycle. B-One was selected as the cornerstone in Novare's systems enhancement project to improve operational efficiency with the objective of improving data quality, automating the reporting process and enhancing the client experience.

"We are very excited to work with FactSet. Our enhanced service model, with B-One as one of the key components, enables us to centralize our activities and efforts to deliver more customized, innovative, and powerful solutions to our clients. FactSet's expertise and reliability have been instrumental in the project's execution," stated Modibedi Selepeng, Head of Fund Consulting and Manager Research, Novare Actuaries and Consultants.

"We are very proud to be collaborating with Novare Actuaries and Consultants to provide the support and service they require for their clients in South Africa. It is also a testimony of our commitment to strengthen our presence in the region shortly after the opening of [our office in Johannesburg](#)," said Alexandra You-Capello, Senior Vice President, Director of Sales for the EMEA region. "FactSet's goal is to provide a single true source of analytics for the entire investment process."

FactSet continues to expand its footprint in South Africa and the overall EMEA region. The company received the 2016 Best Data Management Solution in the African Global Funds (AGF) Africa Service Providers Awards, which recognize the accomplishments of fund service providers covering Africa.
