In fulfilling its responsibility, the Audit Committee discusses with our independent public auditors the overall scope and specific plans for their audit. The Audit Committee has reviewed FactSet's audited financial statements for fiscal 2004 with management and with PricewaterhouseCoopers LLP. The option exercise price was the fair value of FactSet's stock on the grant date. No other stock option grants were made to the named Executive Officers in fiscal 2004.

Report on Executive Compensation

The Compensation Committee (the "Committee") is responsible for administering FactSet's executive compensation policies and practices. The Committee is composed solely of outside directors and reports regularly to the Board. Outside directors are not eligible to participate in any of the plans or programs it administers. In fiscal 2004, the Committee reviewed cash compensation for the Chairman and the Chief Executive Officer, the President and Chief Operating Officer, the Chief Financial Officer, the Chief Technology Officer, the Director of Sales and Marketing and the Director of Product Development. The Committee also

reviews and approves the aggregate number of options granted to employees to purchase Common Stock of FactSet. The Committee also reviews the size of grants made to each senior executive team member noted above and to specific employee performance peer groups.

In carrying out its duties, the Committee has direct access to independent compensation consultants and outside survey data. Compensation for the named Executive Officers and other key management positions is designed to:

1. Attract, retain and motivate key personnel.
2. Be competitive with compensation offered for similar positions by other companies in the technology and financial services industries.
3. Tie a meaningful portion of compensation to our operating and financial performance through annual bonuses.
4. Link the financial interests of key employees and FactSet's stockholders via stock-based incentives.

Overall, we aim to deliver compensation contingent on achievement of superior levels of Company and individual performance. Compensation is delivered through three major components, as described below:

Base Salary. Base salaries have been established according to the experience and qualifications of the individual executives. Generally, base salaries are intended to be sufficiently competitive to attract and retain key employees, although they are secondary to a view of total cash compensation.

Annual Bonus. Annual bonuses have been determined on a discretionary basis considering a number of factors including FactSet's profitability, revenue growth, achievement of strategic and department goals, individual performance and competitive market practices. In the normal course of business, the Committee determines the bonuses for the named Executive Officers based on our operational and financial performance. Competitive total compensation levels are determined by an independent compensation consulting firm. In considering competitiveness, the Committee reviewed the compensation levels for a sample of industry sector companies of similar size and financial performance to FactSet.

Stock Based Incentives. Stock options have been intended to align incentives with long-term stock performance and act as a motivational and retention tool. Stock option grants were made in fiscal 2004 to selected key employees based on individual contribution and potential.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), imposes a limitation on the deductibility of nonperformance-based compensation in excess of \$1 million paid to named Executive Officers. As such, compensation paid in fiscal 2004 by FactSet is fully tax-deductible. The tax deductibility of compensation for the named Executive Officers will be preserved as long as such actions are consistent with the Committee's compensation policies and objectives and are in the best interests of the Company and its stockholders.

The Committee believes that the fiscal 2004 compensation of the named Executive Officers was aligned with FactSet's performance and returns to shareholders and provided a balanced mix between base pay and incentive compensation.

Employment Agreements

FactSet has an agreement dated May 8, 1996, with Ernest S. Wong relating to the terms of his employment. Under the agreement, in the event Mr. Wong is terminated by us at any time for reasons other than good cause, as set forth in the agreement, we will continue to pay his base salary and standard employee benefits for 12 months following the date of such termination. In the event Mr. Wong is terminated for any reason within one year following a change in control of the Company, as defined in the agreement, Mr. Wong will be entitled to continue receiving his base salary and standard employee benefits for two years from the date of such termination. At the end of fiscal 2004, we did not have employment agreements with Messrs. Hadley, DiChristina, Frankenfield or Thomas.

Performance Graph. Comparison of cumulative total return among FactSet, the S&P 500 Index, and the NASDAQ Computer Index.

At August 31, 2004 the price per common share was \$44.53. At fiscal year-end 2003, 2002, 2001, 2000 and 1999, the price per common share was \$48.55, \$24.80, \$25.35, \$34.19 and \$23.16, respectively. All share prices give retroactive effect to the 2-for-1 stock split that occurred on February 4, 2000. The stock performance graph assumes an investment of \$100 on August 31, 1999 in FactSet Common Stock and an investment of \$100 at that time in both the S&P 500 Index and the NASDAQ Computer Index. This performance graph assumes reinvestment of dividends for FactSet Common Stock and the S&P 500 Index only.

The Board requests that you vote for the following nominees to serve a three-year term expiring in concurrence with the Annual Meeting of Stockholders for fiscal year 2007:

2. Approval of the 2004 Stock Option and Award Plan

The Board of Directors of the Company requests that the stockholders ratify the adoption of the 2004 employee Stock Option and Award Plan (the "Plan"). The purpose of the Plan is to provide a means by which key employees of the Company and its subsidiaries can acquire and maintain stock ownership, thereby strengthening their commitment to the success of the Company and its subsidiaries and their desire to remain employed by the Company and its subsidiaries. The Plan also is intended to attract, employ and retain key employees and to provide such employees with additional incentive and reward opportunities designed to encourage them to enhance the profitable growth of the Company and its subsidiaries. The Board will request ratification of the Plan at the Company's Annual Meeting.

The Plan provides for the grant of stock options, stock appreciation rights, restricted stock, restricted stock units, performance units and performance shares. The Plan prohibits the repricing of options or the grant of discounted options.

Provisions have been included in the Plan to meet the requirements for deductibility of executive compensation under 162(m) of the Code with respect to options and other awards by qualifying payments under the Plan as performance-based compensation. The Plan also provides for the grant of awards to employees of the Company and its Subsidiaries who are employed outside the United States.

The following is a brief description of the Plan, which is qualified in its entirety by the full text of the plan, which is attached to this Proxy Statement as Exhibit A.

It is the judgment of the Board that approval of the Plan is in the best interests of the Company and its stockholders.

Administration and Duration of the Plan

The Plan will be administered by the Compensation Committee of the Board (the "Committee"), which shall consist of not less than two persons who are Directors of the Company, each of whom shall qualify as an "outside director" within the meaning of Section 162(m) of the Code and a "non-employee director" within the meaning of Rule 16b-3 promulgated under Section 16(b) of the Securities Exchange Act of 1934 (the "1934 Act"). The Committee, in its sole discretion, will have the power to grant awards under the Plan, to determine the terms of these awards, to interpret the provisions under the Plan and to take any action that it deems necessary or advisable

for the administration of the Plan. The Committee may delegate any or all of its authority to administer the Plan as it deems appropriate, to the extent delegating such authority is not prohibited by law.

The Plan will terminate on December 22, 2014, unless terminated earlier by the Board or the Committee.

Eligibility and Participation

Eligibility to participate in the Plan is limited to key employees of the Company and its subsidiaries. Participation in the Plan is at the discretion of the Committee.

Limit on Awards Under the Plan

The maximum number of shares available for grant under the Plan is 5,000,000 shares of Company common stock. In addition to this 5,000,000 share maximum, the Plan provides that awards other than stock options and stock appreciation rights will be counted against the Plan maximum in a 2 to 1 ratio. For example, if we issue 100 performance shares, we would reduce the Plan maximum by 200 shares. In any calendar year, no individual may be granted stock options, stock appreciation rights or other awards covering more than 250,000 shares. Shares granted under the Plan may be either authorized but unissued shares of the Company or treasury shares. If an award terminates, expires, is forfeited or lapses, for any reason, any shares subject to such award shall again be available to be the subject of an award.

Stock Options

Options granted under the Plan may be either incentive stock options ("ISOs") within the meaning of section 422 of the Code or nonqualified stock options ("NQSOs"). Options expire not more than seven years from the date of grant. The option exercise price may not be less than the fair market value of the stock on the date the option is granted. Options are non-transferable or assignable other than by will or law of descent and distribution; provided, however, that with the approval of the Committee, NQSOs may be transferred to immediate family members or to a trust for the benefit of such family members. The exercise price may be paid in cash or with previously acquired shares of Company common stock. The terms of each stock option will be determined by the Committee at the time of grant.

Stock Appreciation Rights

Stock Appreciation Rights ("SARs") may, but need not, relate to options. The Committee determines the terms of each SAR at the time of grant. Any freestanding SAR may not be granted at less than the fair market value of the stock on the date the SAR is granted and cannot have a term of longer than seven years. At the discretion of the Committee, the payment upon SAR exercise may be in cash, shares of Company common stock or a combination thereof.

Restricted Stock and Restricted Stock Units

The Plan provides for the grant of shares of restricted stock or restricted stock units to employees of the Company or its Subsidiaries in such amounts as the Committee, in its sole discretion, will determine. Shares of restricted stock and shares received in respect of restricted stock units may not be transferred until the end of the applicable period of restriction. For purposes of qualifying awards of restricted stock and restricted stock units as performance-based compensation under 162(m) of the Code, the Committee may set restrictions based upon performance goals. Except for in the event of a change of control, if the vesting conditions applicable to such awards relate exclusively to the passage of time, shares of restricted stock or restricted stock units will not vest prior to the end of a 36-month period. Restricted units that become payable in accordance with their terms and conditions will be settled in cash, shares, or a combination of cash and shares, as determined by the Committee.

Performance Units and Performance Shares

The Plan provides for the grant of performance units and performance shares. Each performance unit will have an initial value that is established by the Committee on or before the grant date. Each performance share will have an initial value equal to the fair market value of a share on the grant date. The Committee may set performance goals based upon the achievement of Company-wide, subsidiary, departmental, regional, functional, divisional, business unit or individual goals, applicable federal or state securities laws, or any other basis (including, without limitation, relative to the performance of other corporations) determined by the Committee in its sole discretion. For purposes of qualifying awards of performance units or performance shares as performance-based compensation under 162(m) of the Code, the Committee may set restrictions based upon performance goals.

Transferability of Awards

Unless otherwise determined by the Committee, awards granted under the Plan may not be transferred except by will or the laws of descent and distribution and, during his or her lifetime, any options or awards may be exercised only by the employee.

Change of Control

In the event of a change of control of the Company, all awards granted under the Plan which have not been exercised, which have not expired by their terms, or for which restrictions have not yet lapsed will immediately be fully exercisable for the remainder of their respective terms and all restrictions will lapse and conditions deemed satisfied, and, the Committee may, in its sole discretion, determine that such awards be immediately terminated in which case the grantee will be paid an amount in cash (subject to any applicable withholding taxes) in respect of each award equal to the difference between the fair market value of a share and the exercise price of such award.

Amendment of the Plan

The Board may from time to time in its discretion amend or modify the Plan without the approval of the stockholders of the Company, except as such stockholder approval may be required to permit transactions in shares pursuant to the Plan to be exempt from liability under Section 16(b) of the 1934 Act or under the listing requirements of any securities exchange on which are listed any of the Company's equity securities.

U.S. Tax Treatment of Options and Awards

The following brief description of the tax consequences of stock options and other awards under the Plan is based on federal tax laws currently in effect and does not purport to be a complete description of such federal tax consequences.

Stock Options

There are no federal tax consequences either to the optionee or to the Company upon the grant of an ISO or NQSO.

ISO. On the exercise of an ISO, the optionee will not recognize any income and the Company will not be entitled to a tax deduction, although such exercise may give rise to alternative minimum tax liability for the optionee. Generally, if the optionee disposes of shares acquired upon exercise of an ISO within two years of the date of the grant or one year of the date of exercise, the optionee will recognize ordinary income, and the Company will be entitled to a tax deduction, equal to the excess of the fair market value of the shares on the date of exercise over the option price (limited generally to the gain on the sale). The balance of any gain, and any loss, will be treated as a capital gain or loss to the optionee. If the shares are disposed of after the foregoing holding requirements are met, the Company will not be entitled to any tax deduction, and the entire gain or loss for the optionee will be treated as a capital gain or loss.

NQSO. On exercise of an NQSO, the excess of the date-of-exercise fair market value of the shares acquired over the option price will generally be taxable to the optionee as ordinary income and is tax deductible by the Company. The disposition of shares acquired upon exercise of an NQSO will generally result in a capital gain or loss for the optionee, but will have no tax consequences for the Company.

Stock Appreciation Rights

Generally, the recipient of a stand-alone SAR will not recognize taxable income at the time the stand-alone SAR is granted. If an employee receives the appreciation inherent in the SARs in cash, the cash will be taxed as ordinary income to the employee at the time it is received. If an employee receives the appreciation inherent in the SARs in stock, the spread between the then current market value and the grant price will be taxed as ordinary income to the employee at the time it is received. In general, there will be no federal income tax deduction allowed to the Company upon the grant or termination of SARs. However, upon the exercise of a SAR, the Company will be entitled to a deduction equal to the amount of ordinary income the recipient is required to recognize as a result of the exercise.

Restricted Stock and Restricted Stock Units

Generally, the recipient of restricted stock or restricted stock units will not recognize any income upon receipt of the award unless the holder elects under Section 83(b) of the Code, within 30 days of receipt of the award, to recognize ordinary income in an amount equal to the fair market value of the restricted stock or restricted stock unit at the time of receipt, less any amount paid for the award. If the election is made, the holder will not be allowed a deduction for amounts subsequently required to be returned to the Company. If the election is not made, the holder will generally recognize ordinary income, on the date that the restrictions lapse, in an amount equal to the fair market value of the shares on such date, less any amount paid for the shares. At the time the holder recognizes ordinary income, the Company generally will be entitled to a deduction in the same amount. Generally, upon a sale or other disposition of restricted stock or a restricted stock unit with respect to which the holder has recognized ordinary income, the holder will recognize capital gain or loss in an amount equal to the difference between the amount realized on such sale or other disposition and the holder's basis in such shares. Such gain or loss will be long-term gain or loss if the holding period for such shares is more than one year.

Performance Shares and Performance Units

Generally, the recipient of performance shares or performance units will not recognize income at the time of grant of the award if such award is subject to a substantial risk of forfeiture. Generally, at the time the substantial risk of forfeiture terminates with respect to a performance share or performance unit, the then fair market value of the stock will constitute ordinary income to the recipient. Subject to the applicable provisions of the Code, the Company generally will be entitled to a deduction in the same amount.

Company Tax Deduction

Generally, the Company's tax deduction for all compensation paid to specified officers in any one year is limited to \$1,000,000. It is anticipated that the Company's deduction arising from an officer's exercise of an award will be exempt from this limitation as certain outside director and shareholder approval requirements will be met.

For the reasons stated herein, the Board recommends that the stockholders vote for this proposal.

3. Ratification of Independent Registered Public Accounting Firm

The Board requests that you ratify its selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm for FactSet for the fiscal year ending August 31, 2005. If you do not ratify the selection of PricewaterhouseCoopers LLP, the Board will select another independent registered public accounting firm.

Representatives of PricewaterhouseCoopers LLP will be present at the Meeting and will have an opportunity to make a statement. They will also be available to respond to appropriate questions.

III. Solicitation of Proxies

The Board solicits the proxy accompanying this Proxy Statement. Officers, Directors and regular supervisory and executive employees of FactSet, none of whom will receive any additional compensation for their services, may solicit proxies. Such solicitations may be made personally, or by mail, facsimile, telephone, telegraph or messenger. FactSet will reimburse persons holding shares of Common Stock in their names or in the names of nominees, but not owning such shares beneficially, such as brokerage houses, banks and other fiduciaries, for the expense of forwarding solicitation materials to their principals. FactSet will pay all of the costs of solicitation of proxies, estimated at approximately \$35,000 for the printing and distribution of the proxies, which are mailed along with our annual report.

If you hold your shares through a bank, broker or other holder of record and share a single address and same last name with another stockholder, you may have received notice that only one Proxy Statement and Annual Report will be sent to your address unless you instructed the holder of record to the contrary. This practice, known as "householding", reduces multiple mailings to your household and also reduces our printing and postage costs. However, if you wish to receive additional copies of our Proxy Statement or Annual Report, please contact our Investor Relations Department at 203-810-1000 or write to that department at our corporate headquarters address. If you hold your shares through a bank, broker or other holder of record, you can request householding by contacting the holder of record.

IV. Vote Tabulation

Vote Required. Under the Delaware General Corporation Law, the election of FactSet's Directors requires a plurality of the votes represented in person or by proxy at the Meeting and the ratification of the selection of independent public auditors requires that the votes in favor exceed the votes against. Mellon Investor Services will tabulate votes cast by proxy or in person at the Meeting.

Effect of an Abstention and Broker Non-Votes. If you abstain from voting on any or all proposals you will be included in the number of stockholders present at the Meeting for the purposes of determining the presence of a quorum. Abstentions will not be counted either in favor of or against the election of the nominees or other proposals. Under the rules of the National Association of Securities Dealers, brokers holding stock for the accounts of their clients who have not been given specific voting instructions as to a matter by their clients may vote their clients' proxies at their own discretion.

V. Proposals of Stockholders

Proposals of stockholders intended to be presented at the fiscal year 2005 Annual Meeting of Stockholders must be received by us, attention of Mr. Ernest S. Wong, FactSet's Secretary, at our principal executive offices, no later than August 1, 2005, to be included in our fiscal year 2005 Proxy Statement.

VI. Other Matters

The Board does not intend to bring any other business before the Meeting and so far as is known to the Board, no matters are to be brought before the Meeting except as specified in the notice of the Meeting. However, as to any other business, which may properly come before the Meeting, it is intended that proxies, in the form enclosed, will be voted in respect thereof in accordance with the judgment of the persons voting such proxies.

3. SHARES SUBJECT TO THE PLAN

3.1 Number of Shares

Subject to adjustment as provided in Section 3.3, the total number of Shares available for grant under the Plan shall not exceed 5,000,000. Any Shares issued in connection with Awards other than Options and Stock Appreciation Rights shall be counted against the 5,000,000 limit described above as two and one-half (2-1/2) Shares for every one Share issued in connection with such Award or by which the Award is valued by reference. No Employee shall be granted Options, Stock Appreciation Rights or other Awards (counted, as described above, as two and one-half (2-1/2) Shares awarded for every one Share issued in connection with such Award or by which the Award is valued by reference) in any calendar year covering more than 250,000 Shares. Shares granted under the Plan may be either authorized but unissued Shares or treasury Shares. No more than 5,000,000 shares may be issued in the form of Incentive Stock Options.

3.2 Lapsed Awards

If an Award terminates, expires or lapses, for any reason, any Shares subject to such Award again shall be available to be the subject of an Award.

3.3 Adjustments in Awards and Authorized Shares

In the event of any merger, reorganization, consolidation, recapitalization, separation, liquidation, stock dividend, split-up, Share combination, or other change in the corporate structure of the Company affecting the Shares, the Committee shall adjust the number and class of Shares which may be delivered under the Plan, the number, class and price of Shares subject to outstanding Awards, and the numerical limits of 5.1, 6.1, 7.1 and 8.1, in such manner as the Committee (in its sole discretion) shall determine to be appropriate to prevent the dilution or diminution of such Awards and any such adjustment may, in the sole discretion of the Committee, take the form of Options covering more than one class of Shares. Notwithstanding the preceding, the number of Shares subject to any Award always shall be a whole number. Any such adjustment shall be conclusive and binding for all purposes of the Plan.

3.4 Awards Granted to Non-US Employees

Awards may be granted to Grantees who are foreign nationals or employed outside the United States, or both. Notwithstanding any provisions of the Plan to the contrary, in order to foster and promote achievement of the purposes of the Plan or to comply with provisions of laws in other countries in which the Company operates or has employees, the Committee, in its sole discretion, shall have the power and authority to (i) determine which individuals (if any) employed by the Company outside the United States are eligible to participate in the Plan, (ii) modify the terms and conditions of any Awards made to Grantees, and (iii) establish subplans and modified Option exercise procedures and other Award terms and procedures to the extent such actions may be necessary or advisable. Awards to such individuals may be made on such terms and conditions different from those applicable to employees employed in the United States as may, in the judgment of the Committee, be necessary or desirable in order to recognize differences in local law or tax policy. The Committee may also impose conditions on the exercise or vesting of Awards in order to minimize the Company's obligation with respect to tax equalization for employees on assignment outside their home country.

3.5 Share Counting

The following shall apply in determining the number of Shares remaining available for grant under this Plan:

- (a) In connection with the granting of an Option or other Award (other than a Performance Unit denominated in dollars), the number of Shares available for issuance under this Plan shall be reduced by the number of Shares in respect of which the Option or Award is granted or denominated, pursuant to Section 3.1; provided, however, that where a SAR is settled in Shares, the number of Shares available for issuance under this Plan shall be reduced only by the number of Shares issued in such settlement.
- (b) If any Option is exercised by tendering Shares to the Company as full or partial payment of the exercise price, the number of Shares available for issuance under this Plan shall be increased by the number of Shares so tendered.
- (c) Whenever any outstanding Option or other Award (or portion thereof) expires, is cancelled, is forfeited, is settled in cash or is otherwise terminated for any reason without having been exercised or payment having been made in respect of the entire Option or Award, the Shares allocable to the expired, cancelled, forfeited, settled or otherwise terminated portion of the Option or Award may again be the subject of Options or Awards granted under this Plan.

4. ADMINISTRATION

4.1 Administrative Committee

The Plan shall be administered by the Compensation Committee (the **Committee**) of the Board, which shall consist of not less than two persons who are directors of the Company, each of whom shall qualify as (i) an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code and (ii) a

“non-employee director” within the meaning of Rule 16b-3 promulgated under Section 16(b) of the 1934 Act, or, (iii) if there are less than two persons who so qualify, then the Committee shall consist of all the directors serving on the Board.

4.2 Authority of the Committee

The Committee shall have full and final authority, in its discretion, but subject to the express provisions of the Plan, as follows:

- (a) to grant Awards and to select the persons to be granted Awards;
- (b) to determine (1) when Awards may be granted and any conditions which must be satisfied before an Award is made and (2) what types of Awards will be granted and the size and terms thereof;
- (c) to interpret the Plan and to make all determinations necessary or advisable for the administration of the Plan;
- (d) to establish objectives and conditions for earning Awards;
- (e) to establish objectives and conditions for earning Awards;
- (f) to determine whether an Award shall be evidenced by an agreement and, if so, to determine the terms of such agreement (which shall not be inconsistent with the Plan) and who must sign such agreement;
- (g) to determine whether the conditions for earning an Award have been met and whether an Award will be paid at the end of the performance period;
- (h) to determine if and when an Award may be deferred;
- (i) to determine whether the amount or payment of an Award should be reduced or eliminated;
- (j) to determine the guidelines and/or procedures for the payment or exercise of Awards; and
- (k) to determine whether an Award should qualify, regardless of its amount, as deductible in its entirety for federal income tax purposes, including whether any Awards granted Named Executive Officers comply with the Performance Based Exception under Internal Revenue Code Section 162(m).
- (l) to prescribe, amend, and rescind rules relating to the Plan;
- (m) to determine, subject to the terms of the Plan, the terms and provisions of the written agreements by which all Awards shall be granted and, with the consent of the Grantee, to modify any such Award Agreement at any time; and
- (n) to impose such additional conditions, restrictions, and limitations upon the grant, exercise or retention of Awards as the Committee may, before or concurrently with the grant thereof, deem appropriate.

The determination of the Committee on all matters relating to the Plan or any Award or Award Agreement shall be conclusive, final. No member of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Award and binding on all parties concerned, including the Company, its stockholders and any person receiving an Award under the Plan.

To the extent not prohibited by law, the Committee may delegate its authority hereunder and may grant authority to employees or designate employees of the Company to execute documents on behalf of the Committee or to otherwise assist the Committee in the administration and operation of the Plan.

5. STOCK OPTIONS

5.1 Grant of Options

Subject to the terms and provisions of the Plan, Options may be granted to employees of the Company or its Subsidiaries at any time and from time to time as determined by the Committee in its sole discretion. In selecting the individuals to whom Options may be granted, in determining the number of Shares subject to each Option, and in determining the other terms and conditions applicable to each Option, the Committee shall take into consideration such factors as it deems relevant in promoting the purposes of the Plan. The Committee, in its sole discretion, may grant Incentive Stock Options, Nonqualified Stock Options, or a combination thereof.

5.2 General Conditions

- (a) The Grant Date of an Option shall be the date on which the Committee grants the Option or such later date as specified in advance by the Committee.
- (b) The term of each Option shall be a period of not more than seven years from the Grant Date, and shall be subject to earlier termination as herein provided.
- (c) A Grantee may, if otherwise eligible, be granted additional Options.
- (d) No Option may be granted more than 10 years from the earlier of the date the Plan is adopted or the date the Plan is approved by the Stockholders of the Company.
- (e) At any time after any Option becomes exercisable, the Committee shall have the right to elect, in its sole discretion and without the consent of the holder thereof, to cancel such Option and to cause the Company to pay to the Grantee the excess of the Fair Market Value of the Shares covered by such Option over the Option Price of such Option at the date the Committee provides written notice (the "Buy Out Notice") of its intention to exercise such right. Buy outs pursuant to this provision shall be effected by the Company as promptly as possible after the date of the Buy Out Notice. Payments of buy out amounts may be made in cash, in Shares, or partly in cash and partly in Shares, as the Committee deems advisable. To the extent payment is made in Shares, the number of Shares shall be determined by dividing the amount of the payment to be made by the Fair Market Value of a Share at the date of the Buy Out Notice.

5.3 Option Price

No later than the Grant Date of any Option, the Committee shall determine the Option Price of such Option. Subject to Section 6.3 with respect to Incentive Stock Options, the Option Price of an Option shall be at such price (which may not be less than 100% of the Fair Market Value of a Share on the Grant Date unless the Option was granted through the assumption of, or in substitution for, outstanding awards previously granted to individuals who became employees of the Company as a result of a merger, consolidation, acquisition or other corporate transaction involving the Company), as the Committee, in its discretion, shall determine.

5.4 Grant of Incentive Stock Options

At the time of the grant of any Option, the Committee may designate that such Option shall be made subject to additional restrictions to permit it to qualify as an Incentive Stock Option. Any Option designated as an Incentive Stock Option:

- (a) shall have an Option Price of (1) not less than 100% of the Fair Market Value of a Share on the Grant Date or (2) in the case of a 10% Owner, not less than 110% of the Fair Market Value of a Share on the Grant Date;

- (b) shall be for a period of not more than seven years (five years, in the case of a 10% Owner) from the Grant Date, and shall be subject to earlier termination as provided herein or in the applicable Award Agreement;
- (c) shall not have an aggregate Fair Market Value (determined for each Incentive Stock Option at its Grant Date) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by such Grantee during any calendar year (under the Plan and any other employee stock option plan of the Grantee's employer or any Parent or Subsidiary thereof (**Other Plans**)), determined in accordance with the provisions of Section 422 of the Internal Revenue Code, which exceeds \$100,000 (the **\$100,000 Limit**);
- (d) shall, if the aggregate Fair Market Value of the Shares (determined on the Grant Date) with respect to all Incentive Stock Options previously granted under the Plan and any Other Plans (**Prior Grants**) and any Incentive Stock Options under such grant (the **Current Grant**) which are exercisable for the first time during any calendar year would exceed the \$100,000 Limit, be exercisable as a separate Nonqualified Stock Option at such date or dates as are provided in the Current Grant;
- (e) shall be granted within 10 years from the earlier of the date the Plan is adopted or the date the Plan is approved by the stockholders of the Company; and
- (f) shall require the Grantee to notify the Committee of any disposition of any Shares issued pursuant to the exercise of the Incentive Stock Option within two years of the date of grant or within one year of the date of exercise (except in the event of the death of the Grantee), within 10 days of such disposition.

Notwithstanding the foregoing and Section 4.2(e), the Committee may, without the consent of the Grantee, at any time before the exercise of an Option (whether or not an Incentive Stock Option), take any action necessary to prevent such Option from being treated as an Incentive Stock Option.

5.5 **Substitute Options**

Subject to Section 5.9, if the Committee cancels any Option granted under this Plan, (or any plan of any entity acquired by the Company or any of its Subsidiaries), and a new Option is substituted therefor, then the Committee may, in its discretion, determine the terms and conditions of such new Option and may, in its discretion, provided that the grant date of the canceled option shall be the date used to determine the earliest date or dates for exercising the new substituted Option under Section 5.7 hereof so that the Grantee may exercise the substituted Option at the same time as if the Grantee had held the substituted Option since the grant date of the canceled option; *provided that* no Option shall be canceled without the consent of the Grantee if the terms and conditions of the new Option to be substituted are not at least as favorable as the terms and conditions of the Option to be canceled.

5.6 **Nontransferability**

Unless the Committee shall otherwise determine, each Option granted hereunder shall by its terms not be assignable or transferable other than by will or the laws of descent and distribution and may be exercised, during the Grantee's lifetime, only by the Grantee. With the approval of the Committee, an option may be transferred by gift to any member of the Grantee's immediate family or to a trust for the benefit of one or more such immediate family members. For purposes of this Section 5.6, "immediate family" shall mean the Grantee's spouse, children and grandchildren, parents, grandparents, former spouses, siblings, nieces, nephews, parents-in-law, sons-in-law, daughters-in-law, brothers-in-law, sisters-in-law, including adoptive or step relationships and any person sharing the employee's household (other than as a tenant or employee).

5.7 Exercise of Options

Subject to Sections 4.2(f), 10 and 11 and such terms and conditions as the Committee may impose, each Option shall be exercisable in such manner as the Committee, in its discretion, shall determine as set forth in the Award Agreement. Each Option shall be exercised by delivery to the Company of a written notice of intent to purchase (in such form as prepared by the Committee) a specific number of Shares subject to the Option. The Option Price of any Shares shall be paid in full at the time of the exercise.

5.8 Payment of Option Price

In the discretion of the Committee, a Grantee may pay the Option Price payable upon the exercise of an Option in cash, previously acquired Shares valued at its Fair Market Value on the business day next preceding the date of exercise, or any combination thereof. Payments in Shares shall be made by delivery of (i) stock certificates in negotiable form or (ii) a completed attestation form prescribed by the Company setting forth the whole Shares of stock owned by the holder which the holder wishes to utilize to satisfy the exercise price. If certificates representing Shares are used to pay all or part of the purchase price of an Option, a separate certificate shall be delivered by the Company representing the same number of Shares as each certificate so used, and an additional certificate shall be delivered representing the additional Shares to which the holder of the Option is entitled as a result of the exercise of the Option. No previously acquired Shares may be used by a Grantee unless such Shares were acquired in the open market or have been held by the Grantee for at least six months.

5.9 Prohibition Against Repricing

Except for adjustments made pursuant to Section 3.3, in no event shall the Committee have the right to amend an outstanding Award, or cancel an outstanding Award and issue a new Award, for the sole purpose of reducing the exercise price thereunder.

6. STOCK APPRECIATION RIGHTS

6.1 Grant of SARs

Subject to the terms and conditions of the Plan, a SAR may be granted to Employees of the Company or its Subsidiaries at any time or from time to time as determined by the Committee in its sole discretion. SARs may be granted alone or in tandem with Options.

6.2 Number of Shares

The Committee shall have complete discretion to determine the number of SARs granted to any Grantee.

6.3 Exercise Price and Other Terms

The Committee, subject to the provisions of the Plan, shall have complete discretion to determine the terms and conditions of SARs granted under the Plan; however, the exercise price of a Freestanding SAR shall be not less than 100% of the Fair Market Value of a Share on the Grant Date. The exercise price of Tandem SARs shall equal the Option Price of the related Option.

6.4 Exercise of Tandem SARs

Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable. With respect to a Tandem SAR granted in connection with an Incentive Stock Option: (a) the Tandem SAR shall expire no later than the expiration of the underlying Incentive Stock Option; (b) the value of the payout with respect to the Tandem SAR shall be for no more than one hundred percent (100%) of the difference between the

Option Price of the underlying Incentive Stock Option and the Fair Market Value of the Shares subject to the underlying Incentive Stock Option at the time the Tandem SAR is exercised; and (c) the Tandem SAR shall be exercisable only when the Fair Market Value of the Shares subject to the Incentive Stock Option exceeds the Option Price of the related Incentive Stock Option.

6.5 Exercise of Freestanding SARs

Freestanding SARs shall be exercisable on such terms and conditions as the Committee, in its sole discretion, shall determine.

6.6 Payment of SAR Amount

Upon exercise of an SAR, a Grantee shall be entitled to receive payment from the Company in an amount determined by multiplying (a) the difference between the Fair Market Value of a Share on the date of exercise over the exercise price; times (b) the number of Shares with respect to which the SAR is exercised. At the discretion of the Committee, the payment upon SAR exercise may be in cash, Shares or a combination thereof.

6.7 Term of SARs

The term of a SAR shall be determined by the Committee in its sole discretion, but in no event shall the term exceed seven (7) years from the date of grant.

7. RESTRICTED STOCK AND RESTRICTED STOCK UNITS

7.1 Grant of Restricted Stock and Restricted Stock Units

Subject to the terms and conditions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock or Restricted Stock Units to employees of the Company or its Subsidiaries in such amounts as the Committee, in its sole discretion, shall determine.

7.2 Transferability

Shares of Restricted Stock and Shares received in respect of Restricted Stock Units may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction.

7.3 Restrictions

Shares of Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee, in its sole discretion, may deem advisable or appropriate, including, without limitation, any limitation on the right to vote a Share of Restricted Stock or the right to receive any dividend or other right or property, which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate. If the vesting conditions applicable to an Award of Restricted Stock or Restricted Stock Units relate exclusively to the passage of time and continued employment, such time period shall consist of not less than 36 months, except for in the event of a Change of Control. The Committee may also set restrictions based upon the achievement of specific performance objectives (Company-wide, divisional, or individual), applicable federal or state securities laws, or any other basis determined by the Committee in its discretion, and may require recipients of Shares of Restricted Stock or Restricted Stock Units to pay a stipulated purchase price for such Shares of Restricted Stock or Restricted Stock Units.

7.4 Section 162(m) Performance Restrictions

For purposes of qualifying Awards of Restricted Stock and Restricted Stock Units as “performance-based compensation” under Code Section 162(m), the Committee, in its discretion, may set restrictions based upon the achievement of Performance Goals. The Performance Goals may be set by the Committee on or before the latest date permissible to enable the Restricted Stock or Restricted Stock Units to qualify as “performance-based” compensation under Code Section 162(m).

7.5 Legend on Certificates or Book-Entry Registration for Restricted Shares

Any Share of Restricted Stock granted under the Plan may be evidenced in such manner as the Committee may deem appropriate including, without limitation, book entry registration or issuance of a stock certificate or certificates. In the event that any stock certificate is issued in respect of Shares of Restricted Stock granted under the Plan, such certificate shall be registered in the name of the Grantee and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock.

7.6 Termination of Employment

Except as otherwise determined by the Committee, upon termination of employment or cessation of services with the Company for any reason during the Period of Restriction, all Shares of Restricted Stock and all Restricted Stock Units still, in either case, subject to restriction shall be forfeited and reacquired at no cost by the Company; *provided, however*, that the Committee may, in its sole discretion, when it finds that a waiver may be in the best interests of the Company, waive in whole or in part any remaining restrictions with respect to Shares of Restricted Stock or and Restricted Stock or Restricted Stock Units.

7.7 Payment in Respect of Restricted Units

Restricted Units that become payable in accordance with their terms and conditions shall be settled in cash, Shares, or a combination of cash and Shares, as determined by the Committee.

7.8 No Disposition During Period of Restriction

During the Period of Restriction, Shares of Restricted Stock may not be sold, assigned, transferred or otherwise disposed of, or mortgaged, pledged or otherwise encumbered. In order to enforce the limitations imposed upon Awards of Restricted Stock, the Committee may (a) cause a legend or legends to be placed on any certificates relating to Shares of Restricted Stock subject to an Award, and/or (b) issue “stop transfer” instructions, as it deems necessary or appropriate.

7.9 Dividend and Voting Rights

Unless otherwise determined by the Committee, during the Period of Restriction, Grantees who hold Shares of Restricted Stock or Restricted Units shall not have the right to receive dividends in cash or other property or other distribution or rights in respect of such shares, and Grantees who hold Restricted Stock shall have the right to vote such Shares as the record owner thereof.

7.10 Share Certificates

Each certificate issued for Shares of Restricted Stock shall be registered in the name of the Grantee and deposited with the Company or its designee. At the end of the Period of Restriction, a certificate representing the number of Shares to which the Grantee is then entitled shall be delivered to the Grantee free and clear of the restrictions. No certificate shall be issued with respect to a Restricted Unit unless and until such unit is paid in Shares.

8. PERFORMANCE UNITS AND PERFORMANCE SHARES

8.1 Grant of Performance Units or Shares

Subject to the terms and provisions of the Plan, Performance Units and Performance Shares may be granted to employees of the Company or its Subsidiaries at any time and from time to time as determined by the Committee in its sole discretion.

8.2 Initial Value of Performance Units or Shares

Each Performance Unit shall have an initial value that is established by the Committee on or before the Grant Date. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the Grant Date.

8.3 Performance Objectives and Other Terms

The Committee shall set performance objectives in its discretion which, depending on the extent to which they are met, will determine the number or value of Performance Units or Shares that will be paid out to any Grantee. The applicable time period established by the Committee, in its sole discretion, during which the performance objectives must be met shall be called the "Performance Period".

8.4 General Performance Objectives

The Committee may set Performance Goals based upon the achievement of Company-wide, Subsidiary, departmental, regional, functional, divisional, business unit or individual goals, applicable federal or state securities laws, or any other basis (including, without limitation, relative to the performance of other corporations) determined by the Committee in its sole discretion.

8.5 Section 162(m) Performance Restrictions

For purposes of qualifying Awards of Performance Units or Performance Shares for the Performance Based Exception under Internal Revenue Code Section 162(m), the Committee, in its discretion, may determine that the performance objectives applicable to Performance Units or Performance Shares shall be based on the achievement of Performance Goals. The Performance Goals may be set by the Committee on or before the latest date permissible to enable the Performance Units or Performance Shares to qualify as "performance-based" compensation under Code Section 162(m). With respect to any Award that is intended to satisfy the conditions for the Performance Based Exception under Internal Revenue Code Section 162(m): (A) the Committee shall interpret the Plan and this Section 8 in light of Internal Revenue Code Section 162(m) and the regulations thereunder; (B) the Committee shall have no discretion to amend the Award in any way that would adversely affect the treatment of the Award under Internal Revenue Code Section 162(m) and the regulations thereunder; and (C) such Award shall not be paid until the Committee shall first have certified that the Performance Goals have been achieved.

8.6 Earning of Performance Units or Shares

After the applicable Performance Period has ended, the Grantee shall be entitled to receive a payout of the number of Performance Units or Performance Shares earned by the Grantee over the Performance Period, to be determined as a function of the extent to which the corresponding performance objectives have been achieved. After the grant of a Performance Unit or Performance Share, the Committee, in its sole discretion, when it finds that a waiver may be in the best interests of the Company, may reduce or waive any performance objectives for such Performance Unit or Performance Share.

8.7 Form and Timing of Payment

Payment of earned Performance Units or Performance Shares shall be made as soon as practicable after the expiration of the applicable Performance Period. The Committee, in its sole discretion, may pay such earned Awards in cash, Shares, or a combination thereof.

8.8 Negative Discretion

Notwithstanding the achievement of any Performance Goals established under this Plan, the Committee has the discretion by Grantee, to reduce some or all of an Award that would otherwise be paid.

8.9 Extraordinary Events

At, or at any time after, the time an Award is granted, and to the extent permitted under Internal Revenue Code Section 162(m) and the regulations thereunder without adversely affecting the treatment of the Award under the Performance Based Exception, the Committee may provide for the manner in which performance will be measured against the Performance Goals (or may adjust the Performance Goals) to reflect the impact of specific corporate transactions, accounting or tax law changes and other extraordinary and nonrecurring events.

9. TAX WITHHOLDING

9.1 Mandatory Tax Withholding

Whenever under the Plan, cash or Shares pursuant to an Award are to be delivered to an individual who is either a U.S. citizen or is otherwise subject to U.S. Federal Income Taxes upon exercise or payment of an Award, the Company shall be entitled to require as a condition of delivery (i) that the Grantee remit an amount sufficient to satisfy all federal, state, and local withholding tax requirements related thereto, (ii) the withholding of such sums from compensation otherwise due to the Grantee or from any Shares or cash due to the Grantee under the Plan, or (iii) any combination of the foregoing; or If any disqualifying disposition described in Section 5.4(f) is made with respect to Shares acquired under an Incentive Stock Option granted pursuant to the Plan, then the person making such disqualifying disposition shall remit to the Company an amount sufficient to satisfy all federal, state, and local withholding taxes thereby incurred; *provided that*, in lieu of or in addition to the foregoing, the Company shall have the right to withhold such sums from compensation otherwise due to the Grantee or from any Shares due to the Grantee under the Plan.

9.2 Elective Share Withholding

Subject to this Section 9.2, a Grantee may elect the withholding (Share Withholding) by the Company of a portion of the Shares otherwise deliverable to such Grantee upon the exercise of an Award (Taxable Event) having a Fair Market Value equal to the minimum amount necessary to satisfy required federal, state, or local withholding tax liability attributable to the Taxable Event.

(a) Each Share Withholding election by a Grantee shall be subject to the following restrictions:

- (i) any Grantee's election shall be subject to the Committee's right to revoke such election of Share Withholding by such Grantee at any time before the Grantee's election if the Committee has reserved the right to do so in the Award Agreement;
- (ii) if the Grantee is a Section 16 Grantee, such Grantee's election shall be subject to the disapproval of the Committee at any time, whether or not the Committee has reserved the right to do so;
- (iii) the Grantee's election must be made before the date (the **Tax Date**) on which the amount of tax to be withheld is determined; and
- (iv) the Grantee's election shall be irrevocable.

10. DEFERRED PAYMENTS

Subject to the terms of this Plan and applicable law, the Committee may determine that all or a portion of any Award to Grantee, whether it is to be paid in cash, Shares or a combination thereof, shall be deferred or may, in its sole discretion, approve deferral elections made by Grantees. Deferrals shall be for such periods and upon such terms as the Committee may determine in its sole discretion; *provided, however*, that no deferral shall be permitted to the extent that any such deferral would adversely affect the tax treatment of any outstanding Awards under applicable law.

11. TERMINATION OF EMPLOYMENT

11.1 Termination for Cause

If the Grantee has a Termination of Employment for Cause, any unexercised Award shall terminate immediately upon the Grantee's Termination of Employment.

11.2 Termination other than for Cause

If the Grantee has a Termination of Employment for any reason other than Cause, then any unexercised Award, to the extent exercisable on the date of the Grantee's Termination of Employment, may be exercised as follows:

(a) **Death.** *If the Grantee's Termination of Employment is caused by the death of the Grantee, then any unexercised Award to the extent exercisable on the date of the Grantee's death, may be exercised in whole or in part, at any time within one year after the Grantee's death by the Grantee's personal representative or by the person to whom the Award is transferred by will or the applicable laws of descent and distribution, but in no event beyond the scheduled expiration of the Award;*

(b) **Disability.** *If the Grantee's Termination of Employment is on account of the Disability of the Grantee, then any unexercised Award to the extent exercisable at the date of such Termination of Employment, may be exercised, in whole or in part, at any time within one year after the date of such Termination of Employment; provided, however, that, if the Grantee dies after such Termination of Employment and before the end of such one year period, such Award may be exercised by the deceased Grantee's personal representative or by the person to whom the Award is transferred by will or the applicable laws of descent and distribution within one year after the Grantee's Termination of Employment, or, if later, within 180 days after the Grantee's death, but in no event beyond the scheduled expiration of the Award; and*

(c) **Other.** *If the Grantee's Termination of Employment is for any reason other than Cause, death or Disability, then any unexercised Award, to the extent exercisable at the date of such Termination of Employment, may be exercised, in whole or in part, at any time within three months after such Termination of Employment; provided, however, that if the Grantee dies within such three-month period following such termination of Employment, such Award may be exercised by the deceased Grantee's personal representative or by the person to whom the Award is transferred by will or the applicable laws of descent and distribution within 180 days of the Grantee's death, but in no event beyond the scheduled expiration of the Award.*

12. EFFECTS OF A CHANGE OF CONTROL

Notwithstanding any other provisions of the Plan or any Award Agreement, upon the occurrence of a Change of Control, (i) all Awards granted under the Plan to a Grantee which have not been exercised, which have not expired by their terms, or for which restrictions have not yet lapsed shall immediately be fully exercisable for the remainder of their respective terms and all restrictions shall lapse and conditions deemed satisfied, and (ii) the Committee may, in its sole discretion, determine that such Awards be immediately terminated in which case the Grantee will be paid an amount in cash (subject to any applicable withholding taxes) in respect of each Award equal to the difference between the Fair Market Value of a Share and the exercise price of such Award.

13. NONCOMPETITION AND NONSOLICITATION

During the period of the Grantee's employment and for two years thereafter, the Grantee shall not, directly or indirectly, (a) own, manage, operate, join or control, be employed by or participate in the ownership, management, operation or control of, or be a consultant to or connected in any other manner with, any business, firm or corporation which is similar to or competes with a principal business of the Company or its Subsidiaries (a **Competitive Activity**) or (b) for himself or any person or business entity, induce or attempt to induce any employee of the Company or a Subsidiary to terminate employment with the Company or a Subsidiary or solicit, entice, take away or employ any person employed by the Company or a Subsidiary (**Solicitation**). For these purposes, the Grantee's ownership of securities of a public company not in excess of one percent of any class of such securities shall not be considered to be competition with the Company or its Subsidiaries. If the Grantee shall engage in a Competitive Activity or Solicitation, as determined by the Committee in good faith (a) all Options then held by the Grantee shall expire as of the date that the Grantee first engaged in such Competitive Activity or Solicitation, (b) the Company shall have the right to acquire any shares of Stock then owned by the Grantee as the result of the exercise of an Award at a price equal to the lesser of (i) the Fair Market Value of such Shares or (ii) the aggregate exercise price paid therefor by the Grantee, and (c) the Company shall have the right to require the Grantee to return to the Company any other gain (whether or not realized) the Grantee had on the exercise of any Awards granted under this Stock Option and Award Plan (that is, the amount by which, at the time of the exercise of any Award, the Fair Market Value of the Shares to be received was greater than the aggregate exercise price paid therefor by the Grantee).

14. MISCELLANEOUS

14.1 Securities Law Matters

(a) If the Committee deems it necessary to comply with the 1933 Act and there is not in effect a registration statement under the 1933 Act relating to the Shares to be acquired pursuant to the Award, the Committee may require a written investment intent representation by the Grantee and may require that a restrictive legend be affixed to certificates for Shares.

(b) If based upon the opinion of counsel for the Company, the Committee determines that the exercise or nonforfeiture of, or delivery of benefits pursuant to, any Award would violate any applicable provision of (1) federal or state securities law or (2) the listing requirements of any securities exchange on which are listed any of the Company's equity securities, then the Committee may postpone any such exercise, nonforfeiture or delivery, as the case may be, but the Company shall use its best efforts to cause such exercise, nonforfeiture or delivery to comply with all such provisions at the earliest practicable date. The Committee's authority under this Section 13.1(b) shall expire on the date of any Change of Control.

14.2 Funding

Benefits payable under the Plan to any person shall be paid directly by the Company. The Company shall not be required to fund, or otherwise segregate assets to be used for, benefits under the Plan.

14.3 No Employment Rights

Neither the establishment of the Plan nor the granting of any Award shall be construed to (i) give any Grantee the right to remain employed by the Company or any of its Subsidiaries or to any benefits not specifically provided by the Plan or (ii) in any manner modify the right of the Company or any of its Subsidiaries to modify, amend, or terminate any of its employee benefit plans.

14.4 Rights as a Stockholder

A Grantee shall not, by reason of any Award have any right as a stockholder of the Company with respect to the Shares which may be deliverable upon exercise of such Award until such Shares have been delivered to him. As a condition of exercise, a Grantee will be required to execute a stockholder agreement if any such agreement is then in effect with respect to the Shares.

14.5 Nature of Payments

Any and all grants or deliveries of Shares hereunder shall constitute special incentive payments to the Grantee and shall not be taken into account in computing the amount of salary or compensation of the Grantee for the purposes of determining any pension, retirement, death or other benefits under (i) any pension, retirement, profit sharing, bonus, life insurance or other employee benefit plan of the Company or any of its Subsidiaries or (ii) any agreement between the Company or any Subsidiary, on the one hand, and the Grantee, on the other hand, except as such plan or agreement shall otherwise expressly provide.

14.6 Nonuniform Determinations

Neither the Committee's nor the Board's determinations under the Plan need be uniform and may be made by the Committee or the Board selectively among persons who receive, or are eligible to receive, Awards (whether or not such persons are similarly situated). Without limiting the generality of the foregoing, the Committee shall be entitled, among other things, to make non-uniform and selective determinations and to enter into non-uniform and selective Award Agreements as to (a) the identity of the Grantees, (b) the terms and provisions of Awards, and (c) the treatment, under Section 10, of Terminations of Employment. Notwithstanding the foregoing, the Committee's interpretation of Plan provisions shall be uniform as to similarly situated Grantees.

14.7 Amendment of the Plan

The Board may from time to time in its discretion amend or modify the Plan without the approval of the stockholders of the Company, except as such stockholder approval may be required (a) to permit transactions in Shares pursuant to the Plan to be exempt from liability under Section 16(b) of the 1934 Act or (b) under the listing requirements of any securities exchange on which are listed any of the Company's equity securities.

14.8 Termination of the Plan

The Plan shall terminate on the tenth anniversary of the Effective Date or at such earlier time as the Board may determine. Any termination, whether in whole or in part, shall not affect any Award or Award Agreement then outstanding under the Plan.

14.9 No Illegal Transactions

The Plan and all Awards granted pursuant to it are subject to all laws and regulations of any governmental authority which may be applicable thereto; and notwithstanding any provision of the Plan or any Award, Grantees shall not be entitled to exercise Awards or receive the benefits thereof and the Company shall not be obligated to deliver any Shares or pay any benefits to a Grantee if such exercise, delivery, receipt or payment of benefits would constitute a violation by the Grantee or the Company of any provision of any such law or regulation.

14.10 No Loans

No loans from the Company to Grantee shall be permitted under this Plan.

14.11 Assignment or Transfer

Unless the Committee shall specifically determine otherwise, no Award under the Plan or any rights or interest therein shall be transferable other than by will or the laws of descent and distribution and shall be exercisable, during the Grantee's lifetime, only by the Grantee. Once awarded, the Shares received by a Grantee may be freely transferred, assigned, pledged or otherwise subjected to lien, subject to the restrictions imposed by the 1933 Act, Section 16 of the 1934 Act and the Company's insider trading policy (if any), each as amended from time to time.

14.12 Beneficiary Designation

To the extent allowed by the Committee, each Grantee under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named on a contingent or successive basis) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Unless the Committee determines otherwise, each such designation shall revoke all prior designations by the same Grantee, shall be in a form prescribed by the Committee, and will be effective only when filed by the Grantee in writing with the Company during the Grantee's lifetime. In the absence of any such designation, benefits remaining unpaid at the Grantee's death shall be paid to the Grantee's estate.

14.13 Cost and Expenses

The cost and expenses of administering the Plan shall be borne by the Company and not charged to any Award or to any Grantee unless the Committee otherwise determines in its sole discretion.

14.14 Fractional Shares

Fractional Shares shall not be issued or transferred under an Award, but the Committee may pay cash in lieu of a fraction or round the fraction, in its discretion.

14.15 Indemnification

Provisions for the indemnification of officers and directors of the Company in connection with the administration of the Plan shall be as set forth in the Company's Certificate of Incorporation and Bylaws as in effect from time to time.

14.16 Severability

If all or any part of the Plan is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity shall not serve to invalidate any portion of the Plan not declared to be unlawful or invalid. Any Section or part of a Section so declared to be unlawful or invalid shall, if possible, be construed in a manner which will give effect to the terms of such Section or part of a Section to the fullest extent possible while remaining lawful and valid.

14.17 Indemnification

Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company against and from (a) any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan or any Award Agreement, and (b) from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such claim, action, suit or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, by contract, as a matter of law, or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

14.18 Successors

All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all the business or assets of the Company.

14.19 Headings

The headings of Articles and Sections are included solely for convenience of reference, and if there is any conflict between such headings and the text of this Plan, the text shall control.

14.20 Number and Gender

When appropriate the singular as used in this Plan shall include the plural and vice versa, and the masculine shall include the feminine.

14.21 Controlling Law

The laws of the State of Connecticut, except its laws with respect to choice of laws, shall be controlling in all matters relating to the Plan.
