Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

Form 10-K

Non-GAAP Financial Measures, page 37

1. In future filings, please revise your non-GAAP presentations of Adjusted Operating Margin percentage to add the comparable GAAP operating margin percentage for reported periods. In addition, revise the description of "Other items" within your reconciliation to note the respective amounts which should facilitate historical comparisons; one of the reasons for your use of non-GAAP measures. Please refer to the Commissions "Conditions for Use of Non-GAAP Financial Measures" Release No. 33-8176, footnote 27.

In closing, we remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

You may contact Craig Wilson, Senior Advisor at 202-551-3226 with any questions.
